## **D. TRAINING AND COMPETITION ON THE COURSE**

### **D.1. Appendix 2**

#### **D.2. Start procedure**

Crews have to remain in the warm-up zone and before their race they have to assemble at the end of the warmup zone towards the start. They will be called into the narrow zone beside the start either by the starter or by a dedicated Marshall at this position. They must then proceed to the 100m zone orderly and without overtaking. They will be called into lanes by the starter and ONLY then they are allowed to enter the course as another race might still be coming to pass them.

From the time the crews entered the lanes the standard World Rowing starting procedure will be in operation.

- Traffic Light Starting System
- Blinking Light and tone for False Starts
- Adjustable fingers for the alignment of the boats.

Crews are advised to assume starting position during the alignment process (i.e. after the "2 Minutes" call) and not only when the Roll Call starts as this might make a re-alignment necessary.

#### **D.3. Control Commission**

The Control Commission "Head Quarter" is a large white tent between the two paths leading down to the pontoons from the boat storage. A large sign "Control Commission" is affixed to it for identification.

##### **D.3.1. Crew changes – describe "where and how".**

Crew Changes are to be registered via WhatsApp Group "Teammanager CdIJ 2025" (see C.2.1.) Managers will have to give all relevant Crew Changes according to Rules of Racing for the Crew Change.

##### **D.3.2. Advertising**

All Team Managers are advised to retrieve the latest and current information and rules on Advertising from World Rowing Website. Crews must comply to advertising rules to be allowed to compete.

##### **D.3.3. Bow numbers**

Bow Numbers will be issued by Control-Commission.

##### **D.3.4. Cox weighing**

Cox weighing will be located in the first floor of the regattabuilding. A sign "COX WEIGHING" will mark the weighing zone. Cox weighing will occur exactly according to Worldrowing Rules. Cox will be weighed in the racing suits.

The Cox weighing building is not for recreation or shelter. As soon as Coxes are weighed, they should get ready and leave the building.

##### **D.3.5. Boat Weighing**

There is no boatweighing

## **E. TEAM FACILITIES AND SERVICES**

### **E.1. BOAT STORAGE**

When you arrive with your boat trailer, please proceed to the trailer parking area. You can leave your trailer in this parking area during the entire regatta. Your towing vehicle cannot be parked there. Please use for this the official parkarea.

Please note: only cars with boat trailer attached to it will be allowed to enter the area initially.

There are boat racks available in the boat storage area. All racks are marked with numbers of the type of the boat (i.e. 1, 2, 4). No defined boat storage place is assigned to each entry. All eights are in the boathouse No. 1 and 2 (16 eights possible).

### **E.2. LAUNCH PONTOONS**

Launch and arrival pontoons are available and clearly marked.

### **E.3. BOAT REPAIR – workshop and boat builders**
